LLOYD LIBRARY & MUSEUM

We're excited for our newest exhibition, *Welcome to My Jungle*, opening Friday, December 13! Commune with succulents, palms, ferns, ficus, orchids, and more as we explore how a Victorian fascination with tropical plants jumpstarted the long relationship between people and nature indoors. Alongside the exhibition, the accompanying program schedule offers everything from webinars to workshops. Stay tuned for more!

A Look at *The Herbal Year*

Author-illustrator Christina Hart-Davies concocts a fascinating mix using seasonal plants and herbal remedies in this recent addition to our collections. Grouped by their growing season, learn the backstory of familiar names like violet, parsley, and marigold from historical, medicinal, and gardening perspectives. Beautiful watercolor illustrations and recipes round out this treat for plant lovers, or even plant-curious readers.

In this season of giving thanks, we hope you will include the Lloyd in your year-end philanthropy.
